

The Trainers Clinic

Mastering the Art of Training

Presented by Victoria Smith and Deborah Graham

www.thetrainersclinic.ca

Are you an *experienced trainer* ready to take your training to the next level?

Are you a *new or emerging trainer* wanting to build skills and confidence before you begin your training career?

Either way, this workshop is for you!

You will leave with the knowledge, skills, experience and confidence you need to create and deliver engaging and experiential workshops and trainings.

The Nuts and Bolts:

The workshop will be held in downtown **Toronto** at 1033 Bay Street, Suite 314, on **November 1st, 2nd and 3rd, 2017**.

We'll begin at 3:00 pm on **Wednesday, November 1** and go until around 8 (don't worry - we'll feed you!) We'll get to know each other and get started on 'curation techniques' and creating 'teachables.'

On **Thursday, November 2** we will be covering learning styles, agenda organization to satisfy all learners (including visual, auditory, kinesthetic and linear and non-linear learners), turning ho-hum learning into experiential learning, and dynamic presence and facilitation.

On **Friday, November 3**, we'll wrap up at 4:00 pm . . . after you've delivered the workshop that you created on Thursday to your fellow participants and some Toronto mediators and collaborative practitioners. You will receive immediate feedback from Victoria, Deborah, fellow participants and your attendees.

And to help you integrate your learning from this workshop to your trainings and presentations, there will be:

- Follow up individual coaching by Deborah or Victoria
- 1 post-workshop tele-seminar
- Individual feedback on workshop agendas submitted after the program

If you are interested in the workshop but can't make the November dates, let us know. We plan to offer a second program in the spring of 2018.

If you have any questions or want to know more, please feel free to email either Victoria at victoria@victoriasmith.ca or Deborah at deborah@deborahgraham.ca

The program fee is \$3,000 Cdn (\$2,300 USD) plus HST if you register before September 5, 2017 and \$3,500 (\$2,600 USD) plus HST if you register after.
